Subject: RE: Discussion CAST on DNA adducts and risk estimation -- all necessary files
Attachments: CH2Odoc.Adduct_section for CAST.docx; CAST questions.docx; APPENDIX.Adduct.CLEAN.docx

Sorry to be sending these piecemeal but I just realized the Appendix was not included in Barbara's email/invite. You may want to locate all of the relevant files together, so I am also including the questions I sent earlier and the main body of the text (which I realized is slightly different from what Barbara sent, although only marginally.)

Ravi.
